# Losing a pet you love...

can be as difficult as losing a person with whom you've been close. You will cherish the memories of your pet's companionship and devotion long after their brief life has ended.

When your pet dies, it is important to say goodbye, embrace memories of them, and find ways to remember them. At Summerfield Pet Memorial Park and Crematory, we want to assist you during this significant time.

## What happens if my pet dies at home? What do I do?

If death occurs naturally or with euthanasia at home, simply call 701-751-3438, days, evenings or weekends. Our phone is always answered. You may then bring the pet to us if you wish, or we will arrange to come to your home. Summerfield will pick up your pet and cremate and/or arrange burial according to your wishes. If choosing cremation, we will call you as soon as your pet's ashes are ready to be picked up or we can deliver them to your home within 72 hours.

## We are having our pet euthanized at our local veterinary clinic. Then what?

At Summerfield Pet Memorial Park & Cemetery, we provide options to families who have experienced the death of a pet.

**When choosing cremation**, you can print out the cremation authorization form from the upper corner of our website, fill it out, give it to your clinic and instruct them to call or fax the form to Summerfield.

## Private Cremation

Your pet is gently placed in the pet cremation chamber. Upon completion, your pet's ashes are removed from the chamber, processed and transferred to an urn.

We understand how important your pet is to you and how much trust you place in our hands to cremate, and deliver your pet's ashes back to you, without any doubt you are receiving your pet's ashes. All cremations, regardless of size or weight are done 100% individually.

Gentle handling, timeliness, transparency and kindness is our concern. You have the assurance and peace of mind that your pet will never leave our custody and care.

## Our Pet Memorial Park

Whether you've chosen *cremation with burial* or *simply burial (without cremation)*, Summerfield Pet Memorial Park is a beautiful and peaceful final resting place for your pet.

Our dedicated staff can provide information about the services and products available to you, as well as the minimum requirements for burial in our memorial park. A deed of burial rights to each gravesite purchased is provided.

The Summerfield Pet Memorial office is located at 1313 East Century Avenue in Bismarck. We can also be reached by phone at (701) 751-3438.
